INFORMATION AND COMMUNICATION REQUIREMENTS & GUIDELINES

Student Username and Password

Registered students will receive an username and password. Students will use this single sign-on username and password to access all SU resources.

Username: *student no (this is the same number as your reference number you have received during the application process)*

Password: *Sun'date-of-birth' (e.g. Sun19750725)*

Your password will expire, and therefore must be changed every 90 days.

You will receive warnings via e-mail regarding the expiration from 14 days before the 90 day period. In this email, you will receive a link directing you to the password change page (www.sun.ac.za/useradm)

Email address

Registered students will be issued with a '*student no*'@sun.ac.za e-mail address for the duration of their studies. (e.g. 20943068@sun.ac.za)

Emails sent to the student email address will automatically be forwarded to your external email address as supplied by you during orientation.

Please Note: Students are responsible for managing their own external email address, failure to update your external email address will result in not receiving communication sent to your @sun.ac.za address.

To update your external email address please log into My.SUN:

(<http://midtier.sun.ac.za/html-navbar/home.html>)

Internet Access (Inetkey)

Internet access can be obtained via any web browser by accessing the following link: <https://inetkey.sun.ac.za>. For continued access to the internet, ensure that this link remains open while active on the browser.

Click on the CLOSE button on the Inetkey web page to disconnect internet access. You are advised to save this URL to your favourites or as a shortcut on your desktop.

Loading of internet credits

Log into user administration (www.sun.ac.za/useradm), under section: *Load Internet Money from Student Account*.

Internet tariffs

Tariff A @ R0.02: Monday-Friday from 08h00-23h59

Tariff B @ R0.01: Monday-Friday from 00h00-07h59, as well as during weekends.

Printing

The default printer on all open area computers will be the SafeCom printer. The default settings for all printing are double sided (duplex) and in black & white. Should you wish to change the printing settings, it should be changed before printing the document.

You can collect your printing from any SafeCom enabled printer on campus by swiping your [student card](#) over the SafeCom device located on these printers.

The Safecom print driver can be installed on your personal laptop on request. Please visit the [ICT Service Desk](#) for assistance.

Loading of printing credits

To load Printing Credits, please log into user Administration (www.sun.ac.za/useradm), under Section: *Load printing Money from Student Account*.

Student Cards

Students will receive a student card on day of orientation. We provide photos, cards and access to the building. Lost cards will be charged for.
